

Supplementary Terms and Conditions regarding “Skiing for Everyone“-skipasses - Skipass sales campaign by the Gitschberg Jochtal - Brixen Consortium

In addition to the General Terms and Conditions* of Dolomiti Superski and the Gitschberg Jochtal - Brixen Consortium, to the purchase of skipasses as part of the “Skiing for Everyone” sales campaign, which ends on 31 October 2026, the following additions and amendments apply:

- 1. Granting of a right of withdrawal:** Exclusively for skipasses purchased as part of the above-mentioned sales campaign, the purchaser is granted a right of withdrawal, which can be exercised before the first use of the skipass and not later than 07 April 2027 by submitting the form provided for this purpose. After expiry of this period or after the first use of the skipass, the right of withdrawal or a refund of the purchase price, for whatever reason, is expressly excluded. If the right of withdrawal is exercised, the purchase price will be refunded with a deduction of a processing fee of € 30.00 and the skipass will be deactivated.
- 2. Reimbursement in case of skiing accidents:** Article 11 of the General Terms and Conditions applies. Notwithstanding this, the refundable amount for season skipasses purchased as part of the “Skiing for Everyone” sales campaign shall be calculated as follows: due to the special purchase price, the total price of the skipass shall be divided by 10 and the daily standard price calculated in this way shall be multiplied by the number of not used days, until reaching the maximum of the 10 skiing days. Thus, all-season skipasses already used for at least 10 days will not entitle their holders to apply for reimbursement. In the case of family tickets with price caps, the price of the skipass to be refunded is determined in relation to the notional total value (prices of the “Skiing for Everyone” sales campaign) of the individual ski passes in the family combination.
- 3. Consequences in case of abuse:** The skipass is personal and may only be used by its holder. In addition to the consequences for abuse as set out in Art. 17 (e.g. use by another person instead of the holder), the concerned buyer will be denied the right to discounted advance purchase prices in the following “Skiing for Everyone” sales campaign.
